

HealthRIGHT 360 VOTER GUIDE

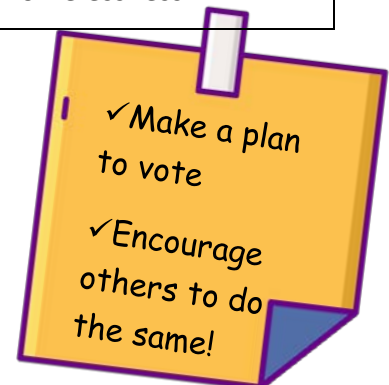

November 2020

Election Day is Tuesday November 3rd

<i>California Propositions</i>	
Prop 16 – YES Restores Affirmative Action	Allows institutions to reduce inequities by creating opportunities for people based on race, gender, and/or ethnicity.
Prop 17 – YES Allows people on parole to vote	Automatically restores a person’s right to vote when paroled from prison.
Prop 20 – NO Increased criminal penalties	Reduces access to parole for people in prison and allows any theft over \$250 to be a felony which will drive up California’s prison population.
Prop 25 – YES Ends cash bail system	Replaces the current cash bail system – which has been proven to be classist and racist – with a computer-based system that assesses risk. Not a perfect solution but a worthwhile step in the right direction.
<i>San Francisco Ballot Measures</i>	
Measure A – YES Funds for social services	Funds programs for supportive housing, shelter, mental health and substance use treatment services.
Measure F – YES \$700+ million for social services	Makes \$700+ million available for child care, early education, and services for people experiencing homelessness.
